Mr. Rick A Waller  
Chair, Oconee County Industrial Development Authority  
Post Office Box 145  
Watkinsville, Georgia 30677

Dear Mr. Waller:

This letter certifies that the Oconee County Industrial Development Authority has met the registration requirements for calendar year 2018, as outlined in the Local Government Authorities Registration Act, O.C.G.A 36-80-16. Please keep this letter on file as proof that your Authority is registered through December 31, 2018.

To maintain a current registration status, the Authority must register annually with the Department of Community Affairs (DCA) prior to January 1 of each year. This registration is required even if an Authority is not currently active (unless they have been legally dissolved).

Also, please note that DCA has no information regarding the Authority's compliance with other requirements, such as filings with the Secretary of State or other legal requirements. Therefore, this letter only certifies that the Authority has met the DCA registration requirements for 2018. It does not certify that the Oconee County Industrial Development Authority was legally constituted, is currently active, or is in compliance with other legal requirements.

If you have any questions, please contact Norma Allen at (404) 679-3132.

Sincerely,

Office of Research
