Conversely, to the extent that the provisions of any Bond Document allow the Corporation to take certain actions, or not to take certain actions, with regard for example to Permitted Liens, incurrence of Indebtedness, transfers of assets, maintenance of financial ratios and similar matters, the Corporation nevertheless shall be fully bound by the provisions of this Continuing Covenant Agreement.

(b) Except as provided in subsection (c) of this Section 1.06, all references to other documents, including the Bond Documents, shall be deemed to include all amendments, restatements, modifications and supplements thereto to the extent such amendment, restatement, modification or supplement is made in accordance with the provisions of such document and this Continuing Covenant Agreement.

(c) All provisions of this Continuing Covenant Agreement making reference to specific Sections of any Bond Document shall be deemed to incorporate such Sections into this Continuing Covenant Agreement by reference as though specifically set forth herein (with such changes and modifications as may be herein provided) and shall continue in full force and effect with respect to this Continuing Covenant Agreement notwithstanding payment of all amounts due under or secured by the Bond Documents, the termination or defeasance thereof or any amendment thereto or any waiver given in connection therewith, so long as this Continuing

Covenant Agreement is in effect and until all Obligations to the Lender are paid in full. No amendment, modification, consent, waiver or termination with respect to any of such Sections shall be effective as to this Continuing Covenant Agreement until specifically agreed to in writing by the parties hereto with specific reference to this Continuing Covenant Agreement.

ARTICLE II

THE CORPORATION'S OBLIGATIONS

Section 2.01. Payment Obligations.

(a) The Corporation hereby unconditionally, irrevocably and absolutely agrees to make prompt and full payment of all payment obligations owed to the Lender under the Bond Documents and to pay any other Obligations owing to the Lender whether now existing or hereafter arising, irrespective of their nature, whether direct or indirect, absolute or contingent, with interest thereon at the rate or rates provided in such Bond Documents and under such Obligations.

(b) The Corporation shall pay all of its obligations under the Loan Agreement and in connection with the Bonds at the times specified therein and in the Bond Indenture and, in particular but not in limitation of the foregoing:

(i) The Corporation shall pay the amounts sufficient to pay interest due and owing on the Bonds on each Interest Payment Date.

(ii) The Corporation may exercise its option under Section 7.2 of the Loan Agreement to prepay the Loan and contemporaneously therewith to cause the redemption of the Bonds under Article III of the Bond Indenture.

(iii) Subject to the earlier remarketing, repayment, acceleration, prepayment or redemption of the Bonds in accordance with the provisions of the Bond Indenture, the Corporation shall pay the amounts under Section 7.4 of the Loan Agreement sufficient to optionally redeem the Outstanding principal amount of the Bonds, together with all accrued and unpaid interest, in accordance with the redemption schedule set forth in Exhibit A attached hereto and made a part hereof; provided that the remaining aggregate Outstanding principal amount of the Bonds together with all accrued interest thereon shall be subject to mandatory purchase on the Mandatory Purchase Date as provided in the Bond Indenture. The Corporation shall pay in accordance with Section 7.4 of the Loan Agreement the amount necessary to pay in full the Purchase Price of the Bonds on any such Mandatory Purchase Date. If the Corporation and the Lender shall agree to amend the principal amortization schedule for the Bonds set forth in Exhibit A, a copy of such schedule as amended shall be provided promptly thereafter to the Bond Trustee. Each optional prepayment of the Loan and corresponding optional redemption of the Bonds pursuant to this Section 2.01(b)(iii) shall be credited against the prepayments of the Loan and corresponding redemptions of the Bonds required by this Section 2.01(b)(iii) in inverse chronological order.

- (iv) Other than as provided in Section 2.02(c), the Corporation agrees that the Bonds may be prepaid in whole or in part, without penalty, provided that if prepaid prior to the Mandatory Purchase Date with financing provided by an Agency Lender or entity acting on behalf of an Agency Lender (and the Lender has offered commercially reasonable terms for financing to be provided by the Lender), the Corporation will pay an exit fee equal to 2% of the amount of the Bonds prepaid.
- (c) Upon the occurrence of an Event of Default, interest shall accrue daily on the Obligations at the Default Rate and shall be payable by the Corporation to the Lender upon demand therefor. All computations of interest hereunder shall be made on the basis of a year of 365 days (366 days in leap years) for the actual days elapsed.
- (d) The Corporation shall pay within thirty (30) days after demand:
- (i) if an Event of Default shall have occurred, all reasonable costs and expenses of the Lender in connection with the enforcement (whether by means of legal proceedings or otherwise) of any of its rights under this Continuing Covenant Agreement, the other Bond Documents and such other documents which may be delivered in connection therewith;
 - (ii) the reasonable fees, disbursements and charges of counsel or other reasonably required consultants to the Lender in connection with advising the Lender as to its rights and responsibilities under this Continuing Covenant Agreement and the other Bond Documents or in connection with responding to requests from the Corporation for approvals, consents, amendments and waivers;
 - (iii) any amounts advanced by or on behalf of the Lender to the extent required to cure any Default, Event of Default or event of nonperformance hereunder or any other Bond Document, together with interest at the Default Rate;
 - (iv) any other fees charged by the Lender for any activity with respect to this Continuing Covenant Agreement or the other Bond Documents requested by the Corporation or required under the terms of this Continuing Covenant Agreement or the other Bond Documents determined in accordance with the Lender's then-current fee schedule; and
 - (v) all reasonable fees, costs and expenses of any consultants providing services to the Corporation or the Lender in accordance with this Continuing Covenant Agreement or the other Bond Documents.

In addition, the Corporation shall pay all reasonable legal fees, disbursements and charges of counsel to the Authority, the Corporation, the Bond Trustee, the Master Trustee and the Manager, all costs and expenses of title insurers, surveyors, appraisers and Governmental Authorities incurred in connection with the Bonds and any and all recordation, stamp and other taxes and fees payable or determined to be payable in connection with the execution, delivery, filing and recording of this Continuing Covenant Agreement and the other Bond Documents, and agrees to save the Lender harmless from and against any and all liabilities with respect to or resulting from any delay in paying or omission to pay such costs, expenses, taxes and fees. It is

the intention of the parties hereto that the Corporation shall pay amounts referred to in this paragraph directly to the parties to whom such amounts are due.

Section 2.02. Increased Payments.

(a) If the Lender (for purposes of this Section 2.02, the term “Lender” shall include the Lender’s parent companies) or any other Owner shall determine that any law, policy, supervisory standard, directive or governmental guideline or governmental interpretation or the application thereof, including any Risk-Based Capital Guidelines or any such law, policy, standard, directive, guideline, interpretation or application implementing, invoking or in any way related to any provision (as now existing or hereafter amended) of the Dodd-Frank Wall Street Reform and Consumer Protection Act (or any other statute referred to therein or amended thereby) or any provision of the International Regulatory Framework for Lenders (Basel III) developed by the Basel Committee on Banking Supervision or by the Lender for International Settlements (BIS) (or any similar or successor organization), by any Governmental Authority charged with the interpretation or administration thereof or compliance with any request, standard or directive whether now existing or hereafter adopted (whether or not having the force of law) of any Governmental Authority:

(i) subjects the Lender or any other Owner to taxation (except for taxes on the overall net income or share capital of the Lender or such other Owner) with respect to this Continuing Covenant Agreement or the other Bond Documents or payment by the Corporation of principal, interest, fees or other amounts due from the Corporation hereunder and under the other Bond Documents,

(ii) imposes, modifies or deems applicable, in a material way, any reserve, capital adequacy, liquidity, special deposit, insurance premium or similar requirement, fee, charge or monetary burden against credits or commitments to extend credit extended by, assets (funded or contingent) of, deposits with or for the account of, or other acquisitions of funds or assets by the Lender or such other Owner,

(iii) imposes, modifies or deems applicable, in a material way, any capital adequacy (core, contingent or other), reserve, liquidity, insurance premium, fee, charge, monetary burden or similar requirement (1) against assets (funded or contingent) of, or credits or commitments to extend credit extended by, the Lender or such other Owner, or (2) otherwise applicable to the obligations or assets of the Lender or such other Owner under this Continuing Covenant Agreement or the other Bond Documents, or

(iv) imposes upon the Lender or such other Owner any other material condition or expense with respect to this Continuing Covenant Agreement or the other Bond Documents or its making, maintenance or funding of any loan or any security therefor or the assets or liabilities of the Lender or such other Owner; and the result of any of the foregoing is to increase the cost to, reduce the income receivable by, or impose any expense (including loss of margin) upon the Lender or such other Owner with respect to this Continuing Covenant Agreement, the other Bond Documents, or the making, maintenance or funding of any loan or any security therefor or the assets or liabilities of the Lender or such other Owner (or, in the case of any capital adequacy, reserve,

liquidity, insurance premium, fee, charge, monetary burden or similar requirement, to have the effect of reducing the rate of return on the Lender's or such other Owner's capital or asset base, taking into consideration the Lender's or such other Owner's policies with respect to capital adequacy and provision for liquidity) by an amount which the Lender or such other Owner deems to be material to it (except for taxes on the overall net income or share capital of the Lender or such other Owner),

then the Lender or such other Owner, as applicable, shall from time to time notify, or cause to be notified, the Corporation of the amount determined in good faith by the Lender or such other Owner, as applicable, to be necessary to compensate the Lender or such other Owner, as applicable, for such increase, reduction or imposition. Such amount shall be due and payable by the Corporation to the Lender or such other Owner, as applicable, on the thirtieth (30th) day after demand. A certificate by the Lender or such other Owner, as applicable, as to the amount due and payable under this Section 2.02 from time to time and the method of calculating such amount shall be conclusive absent manifest error and shall be provided to the Corporation with the notice described above. In determining any such amount, the Lender or such other Owner, as applicable, may use any reasonable averaging and attribution methods.

(b) (i) During a Taxable Period, in addition to the amounts required to be paid pursuant to the Bond Documents, the Corporation hereby agrees to pay to the Lender and any other Owner, as applicable, on demand therefor (1) an amount equal to the difference between (A) the amount of interest paid to the Lender and such other Owner on the Bonds during the Taxable Period and (B) the amount of interest that would have been paid to the Lender and such other Owner during such Taxable Period had the Bonds borne the Taxable Rate, and (2) an amount equal to any interest, penalties or charges owed by the Lender and such other Owner as a result of interest of the Bonds becoming includable in the gross income of the Lender or such other Owner, together with any and all attorneys' fees, charges and disbursements, court costs, or other out of pocket costs incurred by the Lender or such other Owner in connection therewith.

(ii) Subject to the provisions of clauses (iii) and (iv) below, the Lender or such other Owner, as applicable, shall afford the Corporation the opportunity, at the Corporation's sole cost and expense, to contest (1) the validity of any amendment to the Code which causes the interest on the Bonds to be includable in the gross income of the Lender or such other Owner or (2) any challenge to the validity of the tax exemption with respect to the interest on the Bonds, including the right to direct the necessary litigation contesting such challenge (including administrative audit appeals).

(iii) The following shall constitute conditions precedent to the exercise by the Corporation of its right to contest set forth in clause (ii) above: the Corporation shall, on demand, immediately reimburse the Lender and such other Owner, as applicable, for any and all expenses (including attorneys' fees, charges and disbursements, as determined by the Lender and such other Owner, as applicable, in their sole discretion) that may be incurred by the Lender and such other Owner, as applicable, in connection with any such contest, and shall, on demand, immediately reimburse the Lender and such other Owner, as applicable, for any and all penalties or other charges

payable by the Lender and such other Owner, as applicable, for failure to include such interest in its gross income.

(iv) The obligations of the Corporation under this Section 2.02(b) shall survive the termination of this Continuing Covenant Agreement, the payment of the Loan, the termination of the Loan Agreement and the redemption or other payment in full of the Bonds.

(c) In addition to other amounts payable by the Corporation to the Lender or any other Owner under the Bond Documents, the Corporation also shall indemnify the Lender and each other Owner against its loss or expense as a consequence of any prepayment of all or any part of the Bonds on a day other than an Interest Payment Date (“Breakage Expense”). The amount of such Breakage Expense shall be determined by the Lender and each other Owner, as applicable, and absent manifest error shall be conclusive and binding upon the Corporation.

(d) (i) If the amount of interest payable for any period in accordance with the terms hereof or the Bonds exceeds the amount of interest that would be payable for such period had interest for such period been calculated at the maximum interest rate permitted by applicable law, then interest for such period shall be payable in an amount calculated at the maximum interest rate permitted by applicable law.

(ii) Any interest that would have been due and payable for any period but for the operation of the immediately preceding subclause (i) shall accrue and be payable as provided in this subclause (ii) and shall, less interest actually paid to the Lender or any other Owner, as applicable, for such period, constitute the “Excess Interest Amount.” If there is any accrued and unpaid Excess Interest Amount as of any date, then the principal amount with respect to which interest is payable shall bear interest at the maximum interest rate permitted by applicable law until payment to the Lender and each other Owner, as applicable, of the entire Excess Interest Amount.

(iii) Notwithstanding the foregoing, on the date on which no principal amount hereunder remains unpaid, to the extent possible without violating applicable laws, the Corporation shall pay to the Lender and each other Owner, as applicable, a fee equal to any accrued and unpaid Excess Interest Amount.

(iv) If the amount of interest that would have accrued on any series of the Bonds at a floating rate applicable thereto is greater than the amount of interest accrued at the maximum rate permitted by the term of the Master Trust Indenture, the Corporation shall pay to the Lender, on each Interest Payment Date under such Bonds, the amount of such excess interest, on an after-tax basis.

Section 2.03. Obligations Absolute. The payment obligations of the Corporation under this Continuing Covenant Agreement shall be unconditional and irrevocable general obligations of the Corporation and shall be paid strictly in accordance with the terms of this Continuing Covenant Agreement under all circumstances, including the following:

(a) any lack of validity or enforceability of this Continuing Covenant Agreement or any provision hereof, the Bonds or any of the other Bond Documents;

(b) any amendment or waiver of or any consent to departure from all or any of the Bond Documents;

(c) the existence of any claim, setoff, defense or other right which the Corporation may have at any time against the Lender, any other Owner or any other Person, whether in connection with this Continuing Covenant Agreement, the other Bond Documents, the transactions contemplated herein or therein or any unrelated transaction; or

(d) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing.

All fees payable pursuant to this Continuing Covenant Agreement shall be deemed to be fully earned when due and non-refundable when paid.

Section 2.04. No Deductions. Except as otherwise required by law, each payment by the Corporation to the Lender or any other Owner under this Continuing Covenant Agreement or any other Bond Document shall be made without setoff or counterclaim and without withholding for or on account of any present or future taxes (other than any tax measured by or based upon the overall net income of the Lender or such other Owner imposed by any jurisdiction having control over the Lender or such other Owner) imposed by or within the jurisdiction in which the Corporation is domiciled, any jurisdiction from which the Corporation makes any payment hereunder or (in each case) any political subdivision or taxing authority thereof or therein. If any such withholding is so required, the Corporation shall make the withholding, pay the amount withheld to the appropriate Governmental Authority before penalties attach thereto or interest accrues thereon and forthwith pay such additional amount as may be necessary to ensure that the net amount actually received by the Lender or such other Owner, as applicable, free and clear of such taxes (including such taxes on such additional amount) is equal to the amount which the Lender or such other Owner would have received had such withholding not been made. If the Lender or such other Owner pays any amount in respect of any such taxes, penalties or interest, the Corporation shall reimburse the Lender or such other Owner, as applicable, for that payment on demand in the currency in which such payment was made. If the Corporation pays any such taxes, penalties or interest, it shall deliver official tax receipts evidencing that payment or certified copies thereof to the Lender or such other Owner, as applicable, on or before the thirtieth day after payment.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES

All representations and warranties made herein to the Lender or incorporated hereby for the benefit of the Lender are made with the understanding that the Lender is relying upon the accuracy of such representations and warranties, and each such representation and warranty shall be deemed made to the Lender and relied upon by the Lender as of the date of each Advance. Notwithstanding that the Lender may conduct its own investigation as to some or all of the matters covered by the representations and warranties in the Bond Documents, and any certificates, information, opinions or documents delivered in connection therewith, the Lender is entitled to rely on all representations and warranties as a material inducement to the Lender's extension of the credit evidenced by the Bond Documents as of the date of this Continuing Covenant Agreement and as of the date of each Advance.

Section 4.01. Loan Agreement. All representations and warranties made by the Corporation in the Loan Agreement and the Master Trust Indenture are incorporated herein by reference and shall be deemed to have been made and reaffirmed by the Corporation for the benefit of the Lender as if they were fully set forth herein, in each case, as of the date of this Agreement and as of the date of each Advance.

Section 4.02. Existence and Tax Status. The Corporation is a nonprofit corporation duly organized, validly existing and in good standing under the laws of the State of Georgia and is authorized to transact business in the State of Georgia, has the power to own its properties and to carry on its business as now being conducted and is duly qualified as a foreign entity to do business in every jurisdiction in which the nature of its business makes such qualification necessary and is in good standing in each such jurisdiction. The Corporation is exempt from federal income taxes under Section 501(a) of the Code by virtue of being an organization described in Section 501(c)(3) of the Code, has received a letter or other notification from the Internal Revenue Service to that effect, which letter or other notification has not been modified, limited or revoked, is in compliance with all terms, conditions and limitations, if any, contained in such letter or other notification, and has determined the facts and circumstances which form the basis of such letter or other notification as represented to the Internal Revenue Service continue to exist.

Section 4.03. Power and Authority. The Corporation has full corporate power and authority to enter into and execute and deliver each of the Closing Documents to which it is a party and to incur and perform the obligations provided for therein and in the Bond Documents, all of which have been duly authorized by all proper and necessary corporate action. No consent or approval of any Person or Governmental Authority (other than the Authority) is required as a condition to the validity or enforceability of any of such Bond Documents, or, if required, the same has been duly obtained.

Section 4.05. Operations. The Corporation is in compliance with all applicable governmental laws and regulations applicable to the conduct of the Corporation's business and the operation of the Facilities, the noncompliance with which would have a material adverse effect on the Corporation's financial condition or operations or the operation of the Facilities.

Section 4.06. Enforceability. All of the Closing Documents to which the Corporation is a party have been duly authorized, executed and delivered by the Corporation. Each of the Bond Documents to which the Corporation is a party constitutes valid and legally binding obligations of the Corporation, and is fully enforceable against the Corporation in accordance with its respective terms, except as may be limited by applicable bankruptcy or insolvency proceedings, general principles of equity and similar provisions of law.

Section 4.08. No Litigation. There are no actions, claims, suits or proceedings pending, or, to the best of the Corporation's knowledge, after due inquiry, threatened or reasonably anticipated against or directly involving the Corporation at law or in equity or before or by any Governmental Authority which would have a material adverse effect on, or which may reasonably be expected to result in any material and adverse change in, the business, operations, prospects, Property, assets or condition (financial or otherwise) of the Corporation. The Corporation has received no notice that it is in default with respect to any governmental requirement or any judgment, order, writ, injunction, decree, rule, award or regulation of any Governmental Authority.

No holder of any

Indebtedness of the Corporation has given notice of any asserted default thereunder. There are no material liabilities, direct or indirect, fixed or contingent, of the Corporation except as reflected therein. There has been no material adverse change in the financial condition or operations of the Corporation since the most recent date as of which such financial information has been furnished to the Lender. The Corporation has not guaranteed the obligations of, or made any investment in or advances to, any Person except as disclosed in such financial information. The Corporation has good and marketable title to all of the Property and assets, and all of such Property and assets are free and clear of encumbrances, except as reflected in such financial information, in any UCC financing statements delivered to the Lender on or before the Closing Date or in the Title Policy delivered pursuant to Section 3.01(d), and except for other Permitted Liens.

Section 4.11. Indebtedness. The Corporation is not in default in the payment of the principal of or interest on any of its Indebtedness, nor is the Corporation in default under any provision of any instrument under or subject to which any Indebtedness has been incurred, and no event has occurred and is continuing under the provisions of any such instrument that with the lapse of time or the giving of notice, or both, would constitute an event of default thereunder.

Section 4.12. Accuracy of Information. No information (financial or otherwise) furnished by or on behalf of the Corporation in connection with the negotiation of the Transactions contains any untrue statement of a material fact or omits a material fact necessary to make such information not misleading. There is no fact that the Corporation has not disclosed to the Lender that materially adversely affects or will materially adversely affect the properties, business, prospects, profits or condition (financial or otherwise) of the Corporation, or the ability of the Corporation to perform its obligations under the Bond Documents.

Section 4.13. Tax Returns. The Corporation has filed all tax returns required to be filed by it and all taxes due with respect thereto have been paid, and no controversy in respect of additional taxes, state, federal or foreign, of the Corporation is pending or threatened.

Section 4.14. Hazardous Materials.

(a) (i) No Hazardous Material is or has been generated, used, released, treated, disposed of or stored, or otherwise located, in, on or under the Facilities or the Land or any portion thereof (except for the generation, use and storage, in compliance with all applicable Environmental Laws, of such Hazardous Materials as are necessary or appropriate for the conduct of the Corporation's business as it exists on the date of this Continuing Covenant Agreement), and no part of the Facilities or the Land (now or in the past), including the soil and groundwater located thereon and thereunder, has been contaminated by any Hazardous Material; (ii) no Improvements constituting a part of the Facilities contain any asbestos or substances containing asbestos;

(iii) neither the Facilities nor the Land has been the subject of an environmental audit or remedial action; and (iv) to the best of the Corporation's knowledge, the foregoing statements are true and correct with respect to all of the real property adjoining the Facilities, or, if the foregoing statements are untrue in any respect, any liability of the Corporation which may arise from such untruth is not reasonably likely to have a material adverse effect on the operations or financial condition of the Corporation;

(b) No portion of the Facilities or the Land (now or in the past) has, pursuant to any Environmental Law, been placed on the "National Priorities List" or "CERCLIS List" (or any similar federal, state or local list) of sites subject to possible environmental problems;

(c) There are no underground storage tanks situated on the Facilities or the Land and, to the best of the knowledge of the Corporation, no underground storage tanks have ever been situated on the Facilities or the Land;

(d) The Corporation shall fail to observe or perform any covenant, condition or agreement of the Corporation (other than those specified in clauses (a), (b) and (c) above) under this Continuing Covenant Agreement or any of the other Bond Documents and such failure shall continue for a period of thirty (30) days after written notice thereof to the Corporation by the Lender;

(e) Default or an event of default shall have occurred and be continuing under and as described in any of the Bond Documents or Closing Documents, which is not cured within the applicable cure period, if any;

(f) The Facilities shall be abandoned or otherwise “go dark” for a period of thirty (30) consecutive days;

(g) Any material provision of this Continuing Covenant Agreement or any of the other Bond Documents to which the Corporation is a party at any time for any reason shall cease to be valid and binding on the Corporation or shall be declared to be null and void, the validity or enforceability of any such material provision shall be contested by the Corporation or the Corporation shall deny that it has further liability or obligation under any such material provision;

(h) The Corporation shall (i) commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or in the future in effect, or file a petition seeking to take advantage of any other laws relating to bankruptcy, insolvency, reorganization, winding up or composition or adjustment of debts, (ii) apply for or consent to the appointment of a trustee, receiver, liquidator, custodian or other similar official for it or any substantial part of its property, (iii) make a general assignment for the benefit of creditors, (iv) admit in writing its inability, or be generally unable, to pay its debts as they become due, (v) acquiesce in writing to, or fail to controvert in a timely and appropriate manner, any petition filed against it in an involuntary case filed under said federal bankruptcy laws or (vi) take any corporate or other action to authorize any of the foregoing;

(i) An involuntary case or other proceeding shall be commenced against the Corporation seeking liquidation, reorganization or other similar relief with respect to it or its debts under any applicable bankruptcy, insolvency or other similar law now or in the future in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official for it or any substantial part of its property, and such involuntary case or other proceeding shall remain undismissed and unstayed for a period of ninety (90) days or an order for relief shall be entered against the Corporation under the federal bankruptcy laws (as now or hereafter in effect);

(j) Default by the Corporation in the payment of any amount when due in respect of any Indebtedness owed to the Lender or any affiliate of the Lender; or default by the Corporation in the payment when due of any amount due in respect of any Indebtedness of the Corporation to any other creditor of \$250,000 or more; or default by the Corporation under any agreement or instrument under or pursuant to which such Indebtedness is incurred or issued, and continuance of such default beyond the period of grace, if any, allowed with respect thereto; or the occurrence of any act or omission by the Corporation under any such agreement or instrument which results

in such Indebtedness becoming, or being capable of becoming, immediately due and payable (or, with respect to any Derivative Agreement, which results in such Derivative Agreement being terminated early or being subject to early termination);

(k) Any material representation or warranty in, pursuant to or in connection with this Continuing Covenant Agreement or any of the other Bond Documents shall prove to have been untrue in any materially adverse respect when made;

(l) Any judgment against the Corporation or any attachment or other levy against the Property of the Corporation (including the Facilities or any portion thereof) with respect to a claim for an amount in excess of \$250,000 not adequately insured or indemnified against, shall remain unpaid, unstayed on appeal, undischarged, unbonded or undismissed for a period of thirty (30) days;

(m) Any Plan Termination Event with respect to a Plan which the Lender determines in good faith might constitute grounds for the termination of any Plan or for the appointment of a trustee to administer any Plan shall have occurred, and, after the expiration of no less than 30 days after notice thereof shall have been given to the Corporation by the Lender, (i) such Plan Termination Event (if correctable) shall not have been corrected, and (ii) the then-present value of such Plan's vested benefits exceeds the then current value of assets accumulated in such Plan by more than \$250,000 and the Corporation shall not have remedied any such deficiency; or

(n) (i) The Corporation ceases to be Solvent or is enjoined, restrained or in any way prevented by court order from conducting its business affairs in their entirety or (ii) the Department (A) suspends, annuls or revokes any material approval, registration or license in connection with the Facilities, (B) files a petition for the appointment of a receiver or an administrator for the Facilities, or (C) issues a cease and desist order or takes any other action or imposes any other requirement as a sanction for failure to meet any requirement of the CCRC Law or other applicable laws, which in all such cases is reasonably likely to have a material adverse effect on the business, operations or financial condition of the Corporation (including, but not limited to, the ownership and/or operation of the Facilities).

Section 6.02. Rights Upon an Event of Default. Upon the occurrence of an Event of Default, and at any time thereafter unless and until such Event of Default has been waived by the Lender or cured to the satisfaction of the Lender, the Lender shall be entitled to take any of the following actions without prejudice to the rights of the Lender to enforce its claims against the Corporation, except as otherwise specifically provided for herein:

(a) Notify the Bond Trustee that such Event of Default has occurred and direct the Bond Trustee to call the Bonds for mandatory tender pursuant to Section 4.01 of the Bond Indenture;

(b) Direct the Bond Trustee to exercise remedies in accordance with the provisions of the Bond Indenture, the Loan Agreement, the Security Deed and the other Bond Documents (in each case treating the Lender as the Owner of all Bonds);

(c) By injunction or other writ, order, decree or decision of a court of competent jurisdiction in an action, suit or other proceeding at law or in equity, enjoin any acts or things which may be

unlawful or in violation of the Lender's rights under this Continuing Covenant Agreement, the other Bond Documents or any other agreement or instrument;

(d) Subject to Section 8.06, set off any or all of the obligations of the Corporation to the Lender, direct or indirect, now existing or hereafter created, including any and all Obligations hereunder, against any or all of the property of the Corporation in the Lender's possession at or subsequent to the occurrence of the Event of Default regardless of the capacity in which the Lender possesses such property; and

(e) Exercise, or cause to be exercised, and enforce any and all such rights and remedies as it may have under this Continuing Covenant Agreement, the other Bond Documents or any other document or at law or in equity.

Notwithstanding the foregoing, if a default under Section 6.01(h) or (i) shall occur, then all obligations, all accrued interest in respect thereof, all accrued and unpaid fees and other indebtedness or obligations owing to the Lender hereunder shall immediately become due and payable without the giving of any notice or other action by the Lender.

Section 6.03. No Remedy Exclusive. No remedy herein conferred upon or reserved to the Lender is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder, under the Bond Indenture, the Loan Agreement or the other Bond Documents, or now or hereafter existing at law or in equity or by statute.

Section 6.04. Waivers; Consents. No waiver of, or consent with respect to, any provision of this Continuing Covenant Agreement or the Bond Documents by the Lender shall in any event be effective unless the same shall be in writing and signed by the Lender, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given.

Section 6.05. No Waiver; Remedies Cumulative. No failure on the part of the Lender to exercise, and no delay in exercising, any right hereunder or under the Bond Documents shall operate as a waiver thereof; and no single or partial exercise of any right hereunder or under the Bond Documents shall preclude any other or further exercise thereof or the exercise of any other right. The remedies herein and in the Bond Documents provided are cumulative and not exclusive of any remedies available under any other document or at law or in equity.

ARTICLE VII

INDEMNIFICATION

Section 7.01. Indemnification. In addition to any and all other rights of reimbursement, indemnification, subrogation and other similar rights pursuant to this Continuing Covenant Agreement, the other Bond Documents or under law or equity, the Corporation hereby covenants and agrees to defend, indemnify and hold harmless the Lender and each other Owner, the Bond Trustee, the Master Trustee and their respective affiliates and the officers, directors, employees and agents of the Lender, each other Owner and their respective affiliates (each, an "Indemnatee") from and against any and all claims, causes of action, judgments, fines, penalties,

damages, losses, liabilities, and Expenses whatsoever (including reasonable attorneys' fees, charges and disbursements) which may be incurred by an Indemnitee or which may be claimed against an Indemnitee by any Person whatsoever (collectively, the "Liabilities") by reason of or directly or indirectly in connection with any of the Transactions including (a) the execution and delivery or transfer of, or payment or failure to pay under, this Continuing Covenant Agreement or any other Bond Document; (b) the issuance, offering, purchase, sale, remarketing or resale of the Bonds; (c) the use of the proceeds of the Bonds; (d) the use or occupancy of the Property (including, without limitation, the Facilities) by the Corporation or any other Person, including liabilities resulting from or relating to any accident, injury or death of any individual or any Environmental Laws or Hazardous Materials; or (e) the untruth or material inaccuracy of any warranty or representation undertaken or given by the Corporation in this Continuing Covenant Agreement or any other Bond Document or in any certificate furnished hereunder or thereunder or the breach or nonperformance by the Corporation of any covenant of this Continuing Covenant Agreement or any other Bond Document or any other Default or Event of Default hereunder or under any of the other Bond Documents; provided that the Corporation shall not be required to indemnify an Indemnitee for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by the willful misconduct or gross negligence of such Indemnitee as determined in a final, non-appealable determination by a court of competent jurisdiction. If any proceeding shall be brought or threatened against an Indemnitee by reason of or in connection with the events described in clause (a), (b), (c), (d) or (e) as a condition of indemnity hereunder each Indemnitee shall promptly notify the Corporation in writing and the Corporation shall assume the defense thereof, including the employment of counsel satisfactory to such Indemnitee and the payment of all reasonable costs of litigation. Notwithstanding the preceding sentence, each Indemnitee shall have the right to employ its own counsel and to determine its own defense of such action in any such case, but the fees, disbursements and charges of such counsel shall be at the expense of such Indemnitee unless (i) the employment of such counsel shall have been authorized in writing by the Corporation, or (ii) the Corporation, after due notice of the action, shall not have employed counsel satisfactory to such Indemnitee to have charge of such defense, in either of which events the fees, disbursements and charges of counsel for such Indemnitee shall be borne by the Corporation. Nothing under this Section 7.01 limits, nor is intended to limit, the Corporation's payment of the Obligations.

Section 7.02. Reimbursement; Interest. If the Lender or any other Owner or the Bond Trustee or the Master Trustee shall incur any Expenses or pay any Liabilities in connection with the Bonds or the Bond Documents or the rights and remedies provided under the Bond Documents (regardless of whether or not any of the Bond Documents expressly provide for an indemnification by Corporation against such Expenses or Liabilities), the Lender's and such other Owner's payment of such Expenses and Liabilities shall constitute advances to the Corporation which shall be paid by the Corporation to the Lender and such other Owner, as applicable, on demand, together with interest thereon from the date incurred until paid in full at the Default Rate. Each advance shall be secured by the Trust Estate as fully as if made to the Corporation, regardless of the disposition thereof by the party or parties to whom such advance is made. Notwithstanding the foregoing, however, in any action or proceeding to foreclose under any Bond Document or to recover or collect the Obligations, mandatory provisions of law governing the recovery of costs, disbursements and allowances shall prevail unaffected by this

Section. It is the intention of the parties hereto that the Corporation shall pay amounts referred to in this paragraph directly to the parties to whom such amounts are due.

Section 7.03. Survival. The obligations of the Corporation under this Article VII shall survive the payment of the Bonds and the termination of this Continuing Covenant Agreement.

ARTICLE VIII

MISCELLANEOUS

Section 8.01. Patriot Act Notice. The Lender hereby notifies the Corporation that pursuant to the requirements of the USA Patriot Act it is required to obtain, verify and record information that identifies the Corporation, which information includes the name and address of the Corporation and other information that will allow the Lender to identify the Corporation in accordance with the USA Patriot Act. The Corporation hereby agrees that it shall promptly provide such information upon request by the Lender.

Section 8.02. Further Assurances. From time to time upon the request of either party hereto, the other shall promptly and duly execute, acknowledge and deliver any and all such further instruments and documents as the requesting party may in its reasonable discretion deem necessary or desirable to confirm this Continuing Covenant Agreement and the other Bond Documents, to carry out the purpose and intent hereof and thereof or to enable the requesting party to enforce any of its rights hereunder or thereunder. At any time, and from time to time, upon request by the Lender, the Corporation will, at the Corporation's expense, (a) correct any defect, error or omission which may be discovered in the form or content of any of the Bond Documents, and (b) make, execute, deliver and record, or cause to be made, executed, delivered and recorded, any and all further instruments, certificates and other documents as may, in the opinion of the Lender, be necessary or desirable in order to complete, perfect or continue and preserve the Lien of the Trust Estate. Upon any failure by the Corporation to do so, the Lender or the Bond Trustee may make, execute and record any and all such instruments, certificates and other documents for and in the name of the Corporation, all at the sole expense of the Corporation, and the Corporation hereby appoints the Lender and the Bond Trustee the agent and attorney in fact of the Corporation to do so, this appointment being coupled with an interest and being irrevocable. Without limitation of the foregoing, the Corporation irrevocably authorizes the Lender and the Bond Trustee at any time and from time to time to file any initial financing statements, amendments thereto and continuation statements deemed necessary or desirable by the Lender or the Bond Trustee to establish or maintain the validity, perfection and priority of the security interests granted in the Trust Estate, and the Corporation ratifies any such filings made by the Lender prior to the date hereof. In addition, at any time, and from time to time, upon request by the Lender or the Bond Trustee, the Corporation will, at the Corporation's expense, provide any and all further instruments, certificates and other documents as may, in the opinion of the Lender or the Bond Trustee, be necessary or desirable in order to verify the Corporation's identity and background in a manner satisfactory to the Lender or the Bond Trustee.

Section 8.03. Amendments and Waivers; Enforcement. The Lender and the Corporation may from time to time enter into agreements amending, modifying or supplementing this Continuing Covenant Agreement or the other Bond Documents or changing the rights of the

Lender or the Corporation hereunder or thereunder, and the Lender may from time to time grant waivers or consents to a departure from the due performance of the obligations of the Corporation hereunder or thereunder. Any such agreement, waiver or consent must be in writing and shall be effective only to the extent specifically set forth in such writing. In the case of any such waiver or consent relating to any provision hereof, any Default or Event of Default so waived or consented to shall be deemed to be cured and not continuing, but no such waiver or consent shall extend to any other or subsequent Default or Event of Default or impair any right consequent thereto.

Section 8.04. No Implied Waiver; Cumulative Remedies. No course of dealing and no delay or failure of the Lender in exercising any right, power or privilege under this Continuing Covenant Agreement or the other Bond Documents shall affect any other or future exercise thereof or exercise of any right, power or privilege; nor shall any single or partial exercise of any such right, power or privilege or any abandonment or discontinuance of steps to enforce such a right, power or privilege preclude any further exercise thereof or of any other right, power or privilege. The rights and remedies of the Lender under this Continuing Covenant Agreement are cumulative and not exclusive of any rights or remedies which the Lender would otherwise have under any Bond Document, at law or in equity.

Section 8.05. Notices. All notices, requests, demands, directions and other communications (collectively “notices”) under the provisions of this Continuing Covenant Agreement shall be in writing (including telexed and facsimile communication), unless otherwise expressly permitted hereunder, and shall be properly addressed and sent by registered or certified mail or by express courier for next Business Day delivery and shall be deemed received as follows: (a) if by registered or certified mail, five (5) days after mailing; (b) if by express courier, on the next Business Day; and (c) if by facsimile, when confirmation of transmission is obtained if prior to 5:00 p.m. local time on a Business Day, and otherwise, on the next Business Day; provided that service of a notice prescribed by any applicable statute shall be considered complete when the requirements of that statute are met. Notices by electronic mail (e-mail) shall not constitute notice under this Continuing Covenant Agreement and are only to be used in addition to notice given as prescribed under (a), (b) or (c) of this Section 8.05. All notices shall be sent to the applicable party at the following address or in accordance with the last unrevoked written direction from such party to the other parties hereto:

The Lender may in its sole discretion rely on any notice (including telephone communication or e-mail communication) purportedly made by or on behalf of the Corporation, but it shall have no duty to accept any notice not given as prescribed in this Section and shall have no duty to verify the identity or authority of the Person giving such notice, unless such actions or omissions would amount to gross negligence or intentional misconduct.

Section 8.06. Right of Setoff.

(a) Upon the occurrence and during the continuance of any Event of Default, in addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, the Lender is hereby authorized at any time and from time to time, without notice to the Corporation or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) and any other indebtedness at any time held or owing by the Lender to or for the credit or the account of the Corporation against and on account of the Obligations and liabilities of the Corporation to the Lender under this Continuing Covenant Agreement, irrespective of whether or not the Lender shall have made any demand hereunder and although said obligations, liabilities or claims, or any of them, shall be contingent or unmatured.

(b) The rights of the Lender under this Section 8.06 are in addition to other rights and remedies (including, without limitation, other rights of set-off) which the Lender may have. The Lender agrees that any amounts it sets off will be applied first to the Obligations.

(c) The Lender agrees promptly to notify the Bond Trustee and the Corporation after any such set-off or application; provided, however, that the failure to give such notice shall not affect the validity of such set-off and application.

Section 8.07. No Third Party Rights. Nothing in this Continuing Covenant Agreement, whether express or implied, shall be construed to give to any Person other than the Corporation and the Lender any legal or equitable right, remedy or claim under or in respect of this Continuing Covenant Agreement, which is intended for the sole and exclusive benefit of the parties hereto. Notwithstanding the foregoing, it is understood and agreed that each Owner is an express and intended third party beneficiary of this Continuing Covenant Agreement, that the

benefits of this Continuing Covenant Agreement are conferred upon each Owner, and that the Lender shall exercise and enforce each right, covenant, remedy or other provision hereof on behalf of the Owners.

Section 8.08. Severability. The provisions of this Continuing Covenant Agreement are intended to be severable. If any provision of this Continuing Covenant Agreement shall be held invalid or unenforceable in whole or in part in any jurisdiction, such provision shall, as to such jurisdiction, be ineffective to the extent of such invalidity or unenforceability without in any manner affecting the validity or enforceability thereof in any other jurisdiction or the remaining provisions hereof in any jurisdiction.

Section 8.09. Intentionally Deleted.

Section 8.10. Waiver of Jury Trial; Jurisdiction and Venue.

(a) ***Consent to Jurisdiction.*** EACH PARTY HERETO CONSENTS TO AND SUBMITS TO EXCLUSIVE IN PERSONAM JURISDICTION AND VENUE IN THE STATE COURTS OF THE STATE OF GEORGIA AND IN THE UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF GEORGIA. EACH PARTY ASSERTS THAT IT HAS PURPOSEFULLY AVAILED ITSELF OF THE BENEFITS OF THE LAWS OF THE STATE OF GEORGIA AND WAIVES ANY OBJECTION TO IN PERSONAM JURISDICTION ON THE GROUNDS OF MINIMUM CONTACTS, WAIVES ANY OBJECTION TO VENUE, AND WAIVES ANY PLEA OF FORUM NON CONVENIENS. THIS CONSENT TO AND SUBMISSION TO JURISDICTION IS WITH REGARD TO ANY ACTION RELATED TO THIS CONTINUING COVENANT AGREEMENT.

(b) ***WAIVER OF JURY TRIAL.*** EACH PARTY HERETO WAIVES ITS RIGHT TO A JURY TRIAL OF ANY AND ALL CLAIMS OR CAUSES OF ACTION BASED UPON OR ARISING OUT OF THIS CONTINUING COVENANT AGREEMENT AND THE OTHER BOND DOCUMENTS. IT IS HEREBY ACKNOWLEDGED THAT THE WAIVER OF A JURY TRIAL IS A MATERIAL INDUCEMENT FOR THE LENDER TO ENTER INTO THIS CONTINUING COVENANT AGREEMENT AND THAT THE EXECUTION AND DELIVERY OF THIS CONTINUING COVENANT AGREEMENT BY THE CORPORATION AND THE BANK IS MADE IN RELIANCE UPON SUCH WAIVER. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT SUCH WAIVER HAS BEEN KNOWINGLY AND VOLUNTARILY MADE FOLLOWING CONSULTATION WITH ITS RESPECTIVE LEGAL COUNSEL.

(c) ***Irrevocable.*** The covenants and waivers made pursuant to this Section 8.10 shall be irrevocable and unmodifiable, whether in writing or orally, and shall be applicable to any subsequent amendments, renewals, supplements or modifications of this Continuing Covenant Agreement. In the event of litigation, this Continuing Covenant Agreement may be filed as a written consent to a trial by the court.

Section 8.11. Governing Law. This Continuing Covenant Agreement shall be governed by and construed in accordance with the laws of the State of Georgia (but not including the choice of rules thereof).

Section 8.12. No Advisory or Fiduciary Responsibility. In connection with all aspects of the Transactions (including in connection with any amendment, waiver or other modification hereof or of any other Bond Document), the Corporation acknowledges and agrees that: (a) (i) the arranging, structuring and other services regarding this Continuing Covenant Agreement provided by the Lender and any affiliate of the Lender are arm's-length commercial transactions between the Corporation on the one hand, and the Lender and any affiliate of the Lender on the other hand, (ii) the Corporation has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (iii) the Corporation is capable of evaluating, and understands and accepts, the terms, risks and conditions of the Transactions; (b) (i) the Lender and each affiliate of the Lender is and has been acting solely as a principal and has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Corporation, or any other Person and (ii) neither the Lender nor any affiliate of the Lender has any obligation to the Corporation with respect to the Transactions, except those obligations expressly set forth herein; and (c) the Lender and each affiliate of the Lender may be engaged in a broad range of transactions that involve interests that differ from those of the Corporation, and neither the Lender nor any affiliate of the Lender has any obligation to disclose any of such interests to the Corporation. To the fullest extent permitted by applicable laws, the Corporation hereby waives and releases any claims that it may have against the Lender and each affiliate of the Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any Transaction.

Section 8.13. Entire Agreement. The Bond Documents constitute the entire understanding and agreement between the Corporation and the Lender with respect to the Transactions and the Bonds, and supersede all prior or contemporaneous written or oral understandings, courses of dealing and agreements between the Corporation and the Lender with respect to the matters addressed in the Bond Documents. In particular, and without limitation, this Continuing Covenant Agreement and the other Bond Documents supersede any commitment by the Lender to extend credit to the Corporation or to purchase the Bonds and all such agreements or commitments are merged into this Continuing Covenant Agreement and the other Bond Documents. Except as incorporated in writing into the Bond Documents, there are no representations, understandings, stipulations, agreements or promises, oral or written, with respect to the matters addressed in the Bond Documents.

Section 8.14. Duration. All representations and warranties of the Corporation contained herein or made in connection herewith shall survive the making of and shall not be waived by the execution and delivery of this Continuing Covenant Agreement or the other Bond Documents, or any investigation by the Corporation. All covenants and agreements of the Corporation contained herein shall continue in full force and effect from and after the date hereof until the Obligations owed to the Lender have been indefeasibly paid in full and fully discharged; provided, however, that the obligations of the Corporation under Sections 2.02, 7.01, 7.02 and 8.16 hereof and under each other provision of any Bond Document granting a right of indemnity or reimbursement in favor of the Lender shall survive any expiration or termination of this Continuing Covenant Agreement.

Section 8.15. Counterparts. This Continuing Covenant Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts each of

which, when so executed, shall be deemed an original, but all such counterparts shall constitute but one and the same instrument.

Section 8.16. Successors and Assigns.

(a) (i) This Continuing Covenant Agreement is a continuing obligation and shall be binding upon the Corporation, its permitted successors and assigns and shall inure to the benefit of the Lender and its permitted successors, transferees and assigns. The Corporation may not assign or otherwise transfer or delegate any of its rights or obligations hereunder or under the other Bond Documents without the prior written consent of the Lender. The Lender may, in accordance with applicable law, from time to time and without the consent of the Corporation or any other Person assign, sell or transfer in whole or in part, this Continuing Covenant Agreement and any of its rights or interests hereunder and all or any part of its interest in the Bonds and the Bond Documents.

(ii) Any successor to, or assignee of, Synovus Bank, as the initial Lender shall give written notice to the Corporation and the Bond Trustee identifying the assignee or successor Lender hereunder and under the other Bond Documents. Insofar as the successor Lender is not the sole Owner of the Bonds, the group of Owners then owning a majority of the aggregate principal amount of the Bonds then Outstanding shall give notice to the Corporation and the Bond Trustee that they constitute the Lender as herein defined and, provided any such notice on its face establishes the requisite ownership of a majority of the aggregate principal amount of the Bonds then Outstanding by the Owners identified therein, such Owners shall thereupon constitute the Lender and shall succeed to and become vested with all of the rights, powers, privileges and responsibilities of the Lender in this Continuing Covenant Agreement and each of the other Bond Documents. The predecessor Lender shall be discharged from its duties and obligations hereunder, provided that the predecessor Lender shall continue to be entitled to the benefits of Sections 2.02, 7.01, 7.02, 8.16 and 8.17 hereof and of each other provision of any Bond Document granting a right of indemnity or reimbursement in favor of the Lender.

(iii) The Lender may designate any nominee, designee or agent to act for and in the name of the Lender by written notice to the Corporation and the Bond Trustee and any such duly designated nominee, designee or agent shall thereupon be empowered to act for and on behalf of the Lender and exercise the rights, powers, privileges and responsibilities of the Lender in this Continuing Covenant Agreement and each of the other Bond Documents.

(b) **Certain Pledges.** The Lender may at any time pledge or grant a security interest in all or any portion of its rights under the Bonds, this Continuing Covenant Agreement and the other Bond Documents to secure obligations of the Lender, including any pledge or assignment to secure obligations to a Federal Reserve Lender; provided that no such pledge or assignment shall release the Lender from any of its obligations hereunder or substitute any such pledgee or assignee for the Lender as a party hereto.

(c) **Participations.** The Lender shall have the right to grant participations in all or a portion of the Lender's interest in the Bonds, this Continuing Covenant Agreement and the other Bond Documents to one or more other banking institutions, and such participants shall, except as set forth in the following clause (ii), be entitled to the benefits of this Continuing Covenant Agreement and the Bond Documents to the same extent as if they were a direct party to this Continuing Covenant Agreement; provided, however, that (i) no such participation by any such participant shall in any way affect the obligations of the Lender hereunder and (ii) the Authority, the Bond Trustee and the Corporation be required to deal only with the Lender, with respect to any matters under this Continuing Covenant Agreement, the Bonds and the other Bond Documents and no such participant shall be entitled to enforce against the Corporation any provision hereunder.

Section 8.17. Reinstatement. If at any time any payment to the Lender or any Owner by the Corporation is rescinded or otherwise must be restored or returned upon the insolvency, bankruptcy or reorganization of the Corporation or otherwise, the Corporation's obligations with respect to such payment shall be reinstated as though such payment had been due but not made at such time. The Corporation agrees that payment or performance of any of the Obligations under this Continuing Covenant Agreement or other acts that toll any statute of limitations applicable to such Obligations shall also toll the statute of limitations applicable to the Corporation's liability under this Continuing Covenant Agreement. The Corporation further agrees that to the extent the Corporation makes a payment to the Lender or any Owner, which payment or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver, or any other party under any bankruptcy, insolvency or other similar state or federal statute, common law or principles of equity, then, to the extent of such repayment by the Lender or such Owner, the Obligations or part thereof intended to be satisfied by such payment shall be revived and continued in full force and effect as if such payment had not been received by the Lender or such Owner.

Section 8.18. Standard of Conduct by Lender; Liability of Lender or other Owners.

(a) Nothing contained in this Continuing Covenant Agreement or any other Bond Document shall limit the right of the Lender or any other Owner to exercise its and their business judgment or to act, in the context of the granting or withholding of any consent under this Continuing Covenant Agreement or any other Bond Document, in a subjective manner, whether or not objectively reasonable under the circumstances, so long as the Lender's or any such other Owner's exercise of its business judgment or action is made or undertaken in good faith. The Corporation and the Lender intend by the foregoing to set forth and affirm their entire understanding with respect to the standard pursuant to which the Lender's or any other Owner's duties and obligations are to be judged and the parameters within which the Lender's or any such other Owner's discretion may be exercised hereunder and under the other Bond Documents. As used herein, "good faith" means honesty in fact in the conduct and transaction concerned.

(b) The Corporation hereby unconditionally and irrevocably releases and discharges the Lender and each other Owner and each of their respective affiliates and the officers, directors, employees and agents of each of them from any liability or responsibility for any of the following: (i) any use that may be made of the proceeds of the Bonds or for any acts or omissions of the Bond Trustee, the Authority, or any other Person in connection with the Loan,

the Bonds or the use of its proceeds; (ii) any of the acts, omissions, agreements, circumstances or conditions covered by the indemnification provided in Section 7.01 hereof; (iii) any act or omission of the Lender or any other Owner; and (iv) any other circumstances whatsoever in connection with the Transactions or the exercise by the Lender or any other Owner of any of its or their rights under this Continuing Covenant Agreement or any of the other Bond Documents; provided that, the Corporation shall have a claim against the Lender or such other Owner, and the Lender or such other Owner shall be liable to the Corporation, to the extent, but only to the extent, of any direct, actual damages, but expressly not for any lost profits or any consequential, special, indirect or punitive damages (the right to recover or receive lost profits, consequential, special, indirect or punitive damages being hereby waived), suffered by the Corporation and not required to be mitigated by the Corporation under applicable law, which direct, actual damages are determined by a final and non-appealable judgment of a court of competent jurisdiction to have been directly caused by the Lender's or such other Owner's willful misconduct or gross negligence in connection with the administration of this Continuing Covenant Agreement.

Section 8.19. Electronic Signatures. The parties agree that the electronic signature of a party to this Continuing Covenant Agreement shall be as valid as an original signature of such party and shall be effective to bind such party to this Continuing Covenant Agreement. The parties agree that any electronically signed document (including this Continuing Covenant Agreement) shall be deemed (i) to be "written" or "in writing"; (ii) to have been signed; and (iii) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. Such paper copies or "printouts," if introduced as evidence in any judicial, arbitral, mediation or administrative proceeding, will be admissible as between the parties to the same extent and under the same conditions as other original business records created and maintained in documentary form. Neither party shall contest the admissibility of true and accurate copies of electronically signed documents on the basis of the best evidence rule or as not satisfying the business records exception to the hearsay rule. For purposes hereof, "electronic signature" means a manually signed original signature that is then transmitted by electronic means; "transmitted by electronic means" means sent in the form of a facsimile or sent via the internet as a "pdf" (portable document format) or other replicating image attached to an e mail message; and, "electronically signed document" means a document transmitted by electronic means and containing, or to which there is affixed, an electronic signature.

Section 8.20. Purchase of Bonds. Upon the terms and conditions and based on the representations, warranties and covenants of the Corporation set forth in the Bond Documents and herein, the Lender hereby agrees to purchase from the Authority, and the Corporation hereby agrees to cause the Authority to sell to the Lender, all, but not less than all, of the Bonds at an aggregate purchase price not to exceed \$40,000,000, to be advanced in accordance with the terms of the Bond Indenture, this Continuing Covenant Agreement and the Construction Disbursement Agreement. The Bonds are to be dated the date of delivery thereof, and are to mature, be subject to redemption prior to maturity and bear interest as set forth in the Bond Indenture.

Section 8.21. Waiver of Automatic or Supplemental Stay. In the event that a petition for relief under any chapter of the Bankruptcy Code is filed by or against the Corporation, the Corporation promises and covenants that it will not seek a supplemental stay pursuant to Bankruptcy Code

§§105 or 362 or any other relief pursuant to Bankruptcy Code §105 or any other provision of the Bankruptcy Code, whether injunctive or otherwise, which would stay, interdict, condition, reduce or inhibit the Lender's ability to enforce any rights it has, at law or in equity, to collect the Obligations from any Person other than the Corporation.

Section 8.22. Intentionally Deleted.

Section 8.23. Taxes. Any taxes (excluding income taxes) payable by the Lender or ruled payable by federal or state authority in respect of this Continuing Covenant Agreement or the other Bond Documents shall be paid by the Corporation upon demand by the Lender, together with interest and penalties, if any.

Section 8.24. Indirect Means. Any act which the Corporation is prohibited from doing shall not be done indirectly through an Affiliate or by any other indirect means.

Section 8.25. Bond Trustee Reports. The Lender agrees that it will certify to the Bond Trustee in writing the outstanding principal amount of the Bonds (a) as of December 31 of each year, no later than two (2) Business Days after such date, and (b) within two (2) Business Days of receipt of a written request from the Bond Trustee for such outstanding principal amount from time to time. The Lender shall advise the Bond Trustee of the amount of each Advance made with respect to the Bond promptly after making such Advance.

Section 8.26. Lender Acknowledgments. The Lender is purchasing the Bonds in evidence of a privately negotiated loan and in that connection, subsequent to the date of this Continuing Covenant Agreement, the Bonds shall not be (i) assigned a separate rating by any municipal securities rating agency, (ii) registered with The Depository Trust Company or any other securities depository, (iii) transferred pursuant to any type of offering document or official statement or (iv) assigned a CUSIP number by Standard & Poor's CUSIP Service.
